**Contacts on request**

**Chris Parkin | Showrunner - Series Director | Jose Andres + Family**

*"Will is a DoP of exceptional versatility. Not only can he plan and execute spectacular, glossy sequences with a creative and collaborative style, but he also has the rare ability to work calmly under extreme pressure and still manage to get extraordinary pictures on the fly, somehow always finding original angles and styles. Will's charming, easy company leads to a happy crew, relaxed talent and makes every shoot he's running that much easier to direct."*

**Emmy Award Winning - Series Director | Jose Andres + Family**

**Gavin Whitehead | Series Director | Clarkson's Farm - Hold The Front Page**

*Will is a truly exceptional DOP, equally at home crafting an image when time and budget are on your side, as he is documenting story in the most challenging of environments. He has been saving my arse for years!*

**Jonathan Profaska | Serese Director | Amazing Spaces**

*Will is fantastic to work with, a stand out DOP. I have been fortunate enough to work with him on many occasions.*

*Consistently engaged with the work, Will is always ready and willing to pull from his seemingly endless reserve of ideas and talents to enhance and elevate a sequence.*

*No matter the situation Will brings a positive and proactive energy to any gig; bolstering the mood of the team and - crucially - making contributors and talent feel at ease, and free to be themselves in front of the camera.*

*Will can tailor his shooting to a variety of styles and genres, with shot composition and lighting skills that add value to any production that he is a part of.*
